Call for photos & videos

Help us support your good work by sending photos and videos of home visits to elaine@pthvp.org

About Us

At Parent/Teacher Home Visit Project, we train school teachers and staff to form a relationship with their students' families, starting with a home visit. These visits help build trust, mutual accountability, cross-cultural understanding, more relevant instruction, leadership opportunities and improved academic, social and emotional development for all children. Our model has been successfully adapted in 17 states by grassroots collaborations between parents, schools, teachers and community organizations.
